

DO YOU WANT UP TO 600 CARS A DAY ADDED TO THE ALREADY CONGESTED TRAFFIC IN YOUR NEIGHBORHOOD ?????????? IF NO, FIGHT Z162

BACKGROUND

Freelan Enterprises, LLC 770-943-5967 (represented by Atty Garvis Sams 770-422-7016) is making a rezoning application on October 4 for a MEGA-car wash on the intersection of **Barrett Parkway and Villa Rica Way** so get 'in gear' for this battle. To place a mega-car wash would be a disaster for all surrounding neighborhoods; exacerbating an already hazardous situation and making the commute even worse. In addition, there is no need for another car wash with 21 within a 5 mile radius including one next door.

WHAT CAN WE DO???

We need for each of you to e-mail by September 25, 2005 each person on the Planning Commission listed below to let them know we oppose a car wash that will potentially bring up to 600 cars a day, increase noise, increase accidents at an already dangerous intersection, and depreciate our homes values!!!!!!!!!! (Make sure to reference Z162 in the subject matter) In addition, if you can attend on either October 4, 2005 Brenda Doychak from Nob Ridge will present to the planning commission why we oppose the Car Wash, then on October 18 the Board of Commissioners makes the final decision. The more people we get to attend either or both of these meetings, the larger our voice becomes. Your voice matters!

Oct 4, starts at 9am - Planning Commission, 100 Cherokee St. 2nd Floor, Marietta.

Oct 18, starts at 9am - Board of Commissioners, 100 Cherokee St. 2nd Floor, Marietta.
